Data Scientist

Date posted

September 4, 2019

Description

Happyplane is a new MarTech startup that makes it easy to personalize messaging on a website for different audiences and channels. We're looking for an exceptionally entrepreneurial, driven and creative individual to join our team. It is an exciting time to be at happyplane as we are in a rapid growth phase. If you're looking for an exciting opportunity within a company where you can make an impact, happyplane is where you want to be.

Qualifications

- Experience building statistical modelling
- Experience with Tableau, Power BI or equivalent
- Experience with MongoDB Aggregations
- Experience in Software Development
